Recreation Committee.

# TO THE TOWN OF WEST RUTLAND:

For the second successive year, the Town of West Rutland sponsored the Summer Recreation Program which was in operation during the months of July and August at the high school athletic field. Miss Claire Weinreber and Miss Agnes McCormack acted as assistant playground directors.

Weekly trips to the Rutland Swimming Pool were conducted again in cooperation with Mr. Ellery R. Purdy, Rutland Pool Director.

Several pieces of equipment were added this past year, including miniature teeter boards, sand boxes, junior swings, paper cut-out sets, and dart games. Equipment was also purchased for the baseball team, and a top surface of slate dust was applied to the tennis court.

The West Rutland playground baseball team once again was popular among the older boys. The "Catamounts" played a summer schedule of 14 games, and included contests with seven Rutland playground teams, and home-and-home games with Camp Holy Cross of Burlington, Camp Sangamon, and the Burlington Falcons, Vermont Midget champions.

Respectfully yours,

F. L. ROBILLARD,  
Playground Supervisor.

## REPORT OF THE SCHOOL NURSE FOR THE YEAR, 1948

There are 551 pupils registered in West Rutland Public and Parochial schools.

These pupils have been examined twice during the school year with special emphasis in correction of defects found—such as eyes, ears, teeth, tonsils, posture and cleanliness.

Following these examinations parents are informed of defects and recommendations made.

During the year 57 pupils were given small-pox vaccine; 63 pupils tetanus, Diphtheria and whooping cough serum.

A successful dental hygiene clinic was conducted by Dr. S. Wysolmerski of Rutland. Pupils from Grade I through Grade V were given a complete examination and a chart sent to parents of work to be done.

85 pupils took advantage of this clinic which was self-supporting.

140 home and follow up calls were made by School Nurse.

B. TERESA DWYER,  
Nurse.
